

Poudrerie of Esquerdes

Audomarois

Poudrerie d'Esquerdes (Eden 62)

Located along the Aa Valley, this natural area is accessible to all. Consisting of various natural environments (wet meadows and woodland), this site is home to many species of animals and plants: including bats, orchids or even pike, which has also found its place in this ecosystem.

A pleasant walk around the bodies of water accompanied by the sound of the river (the Aa) nearby.
