

Riverside Park Arras Pays d'Artois

Arrageois

(©A. FICHEUX)

With its white-water pool, its infrastructure, its many green spaces and its range of activities for young and old, the Riverside Park is one of the flagship nature-sport sites in Pas-de-Calais. While the site is registered in the Pas-de-Calais Nature Sports network for its water activities, this green setting on the banks of the Scarpe offers a host of other possibilities!

On-site activities: rafting and hydrospeed (unique in Pas-de-Calais), canoeing and kayaking, golf, orienteering, archery and tailor-made services (bachelor parties, etc.).
